National Night Out 2014 a Success

On Tuesday August 5th, thirteen neighborhoods participated in this year's National Night Out. On the following pages are stories and pictures recapping National Night Out 2014 in Belmont.

Central Belmont (Francis Ave). - “We had about 40 people, which was bigger than last year. Our oldest neighbor has lived on Francis since 1957 compared to our newest neighbors, a family who just moved into the neighborhood a couple weeks ago. The Library Troubadours made an appearance and performed story time singing with the kids. The fire truck was a hit as usual. It was a great night for our neighbors to mingle with each other and we finally shut down the party around 9:15pm (due to it being completely dark).” ~ Karen Lee

Adelaide Way - “We had a wonderful evening; about 65 people came and we had LOTS of food too, Weather was absolutely great too,” ~ Gail Brown

Valley Knoll neighborhood - "Our event was very successful; I think we had about 50 people show up. Everyone had a great time. Ice cream served by the Boy Scout Troop 301, when the librarians came to visit and provided a sing-a-long and finally the chalk drawings on the street. Many people commented that it was so nice to get to know their neighbors." ~ Lisa Bernstein

"We had no idea what to expect since this is the first time our neighborhood participated in the event, and it far exceeded our expectations!" ~ Jill Mannie

Congregational Church - "About 35 people in attendance, many kids. People on this busy street (Alameda) appreciated having a safe gathering place. Many new neighbors, one family having just moved in the previous weekend. The yo-yo's provided by the water department were a huge hit (little kids discovered a new pull toy), the story tellers from the library provided some good songs and books, the fire truck was a hit, as was the sewer video truck." ~ Terri Cook

Live music and Police Dog Kilo were the main attractions at the **Belmont Library**.

Semeria Park - "The national night out was a success. 30 ice creams and 60 cookies are gone. There were at least 30 households. The kids have fun in the park and the grown-ups got to connect. The captain and the public works came and we had a blast. The two hours gone by so quickly. I didn't take any photos though. :(” ~ Flora Chui

Hallmark – The Hallmark area had a live DJ and two food trucks along with prize raffles and events for the children. They appreciated having representatives from the City attend the event and as always the Fire Truck was a big hit as was Police Dog Kilo.

Carlmont Shopping Center

Public Works Attends National Night Out

Back by popular demand, the Public Works Department participated in Tuesday's Annual National Night Out. Staffed booths were located in Sterling Downs, Carlmont Shopping Center, Downtown and Belmont Heights neighborhoods. Each booth held a number of Public Works brochures providing information on sewer laterals, environmental, streets and sidewalks, and more. The Prize wheel made an appearance at the Carlmont Shopping Center, where event goers spun the wheel, answered questions on pollution prevention, and won cool prizes.

Public Works staff also went mobile as the sewer service truck and sewer video van made special stops at neighborhoods. The Public Works Director and other staff members visited neighborhoods, answered questions, handed out informational material, and provided giveaway's for the kids. Public Works staff would like to thank the residents for having us in their neighborhoods for this wonderful community awareness night!

Belmont PD Chief DeSmidt Participates in Officer Down Memorial – 2014 Ice Bucket Challenge

This week, Belmont Police Chief Dan DeSmidt participated in the Officer Down Memorial – 2014 Ice Bucket Challenge. A person who is challenged, must contribute \$10 to the Officer Down Memorial Page, which is dedicated to preserving the memory of officers killed in the

line of duty, and complete the Ice Bucket Challenge of having a bucket(s) of ice water poured on them, within 48 hours of being challenged. If they fail to do both parts, the person challenged must contribute \$100 toward to the Officer Down Memorial fund.

Chief DeSmidt "up'd the anti" by making an additional donation to the San Mateo County 100 Club that provides financial assistance to the families of San Mateo County law

enforcement officers killed in the line of duty and challenged other members of the San Mateo County Law Enforcement Community to participate. You can see a video of Chief DeSmidt's Ice Bucket Challenge on the Belmont Public Safety YouTube channel at www.youtube.com/belmontpublicsafety.

Employment Opportunity with the City of Belmont

The City is currently accepting applications for **Senior Recreation Leader – After School Program**. For more information on this and other job opportunities with the City of Belmont please visit the [Employment Opportunities](#) page on the City's website.

Redwood City, Belmont, Menlo Park, and San Carlos Leadership Program

The Redwood City, Belmont, Menlo Park, and San Carlos Leadership Program is a ten month program which provides participants the opportunity for face-to-face meetings and hands-on workshops with experts and key decision makers. Participants learn about timely and relevant issues of vital concern to their city; and learn how they can effectively shape the future of their community, their organization, or their business.

For more information on the program and how you can participate please see the flyer later in this document or visit: [Redwood City/San Mateo County Chamber of Commerce Leadership Program](#).

Sequoia Union High School District Seeks Oversight Committee Members

The Board of Trustees of the Sequoia Union High School District is seeking community members to serve on the District's Construction Oversight Committee. The committee will meet four times per year to monitor expenditures for the building projects of the recently approved Measure 'A' School Construction Bond.

For filing details and how to obtain an application, please see the flyer later in this document.

Belmont Blast - "Our goal was top 5 and we took 3rd!"

"After a long day on Saturday, playing 4 games, we finally gave in to a bigger El Segundo team. However, our tournament was a huge success! As a team we had 10 home runs, had a

team batting average over .400, outscored our opponents 79-50, went 6-3 for the tourney and could not have had more fun in Gillette, WY!

Our final season record was 27-10. We averaged 8 runs per game while only giving up 2.5 to our opponents!

This team has played together for the past three years and developed lifelong friendships; by far the best part of the whole experience.

It is the highest placing that any Belmont team has ever won in any division in any national tournament! ~ Coach Eric Belmont Blast 16B

California Coastal Clean-Up Day

Belmont Creeks to Bay

Volunteer Info (650) 595-7425 or Visit www.Belmont.gov

Why is Coastal Cleanup Day important?

- Trash in the ocean compromises human and wildlife health, which affects the livelihoods of millions all over the planet.
- Every little piece of paper, cigarette butt or bottle cap that makes its way to street sewers ends up in streams or rivers and eventually down to the ocean.
- Oceans are the largest part of our water cycle, generating oxygen and rain necessary to sustain life on Earth.
- It is an opportunity to share an educational message with children and young adults in a worldwide effort.
- Coastal Cleanup Day in Belmont is a fun way for individuals, neighborhoods, schools, and community and company volunteer groups to get involved and demonstrate their commitment to healthy water.

Come out and join your fellow friends, family, service groups and neighbors; learn about the impacts of litter and have fun!
All cleanup supplies are provided.

Installation

Communications Based Overlay Signal System (CBOSS) Positive Train Control (PTC) Project

The CBOSS PTC Project is an advanced signal system that will equip the corridor and the trains with federally-mandated safety technology and will increase system capacity to help accommodate future ridership demand.

The project will monitor and, if necessary, control train movement in the event of human error. This will increase safety by:

- Eliminating the risk of train-to-train collisions.
- Reducing risk of potential derailments by enforcing speed limits.
- Providing additional safety for railroad workers on the tracks.
- Improving grade crossing performance to reduce gate downtime and improve local traffic circulation.

The CBOSS PTC Project is also a key component of the Caltrain Modernization Program, which will electrify the Caltrain Corridor by 2019. An electrified Caltrain will be cleaner, quieter, and will upgrade the system to provide faster and/or more frequent service to more stations and more riders.

To implement the project, at various locations, Caltrain will be identifying utilities, digging a small trench and/or boring close to the tracks to install a fiber optic cable. In order to maintain daytime train service, Caltrain will be performing some of this work at night.

San Mateo

Day work will occur August 11 – August 15 from 7 a.m. to 5 p.m. to prepare the site for the installation of a base station. Crews will work as quietly as possible.

Belmont, San Carlos and Redwood City (north of the Dumbarton Spur)

Day work will occur August 11 – August 15 from 7 a.m. to 5 p.m. to identify utility lines. Crews will work as quietly as possible.

Night work will also occur August 10 – August 14 from 8 p.m. to 6 a.m. Crews will be boring and/or digging a small trench to install conduit for fiber optic cable. Lights

will be used in the area to help provide visibility. Neighbors may experience some minor installation noise during this time. Crews will work as quietly as possible.

Unincorporated San Mateo County and Sunnyvale

Day work will occur August 11 – August 16 from 7 a.m. to 5 p.m. to install and test fiber optic cable. Crews will also prepare the site for the installation of a base station. Crews will work as quietly as possible.

Redwood City (south of the Dumbarton Spur), Atherton, Menlo Park, Palo Alto, Mountain View, Santa Clara and San Jose

Day work will occur August 11 – August 16 from 7 a.m. to 5 p.m. to install and test fiber optic cable. Crews will work as quietly as possible.

For more information, please call the dedicated outreach line at 650.508.6499; visit the website at www.caltrain.com/CBOSSPTC or email caltrainptc@samtrans.com.

Maintenance

Caltrain will perform routine maintenance at several locations next week. To avoid disruptions to service, the work will mainly take place Saturday through Friday from 8 p.m. to 6 a.m. There will be some construction noise but crews will work as quietly as possible. For more information about this type of work, click [here](#).

San Francisco to San Jose

Saturday, Aug. 9, to Friday, Aug. 15, crews will pressure wash and perform janitorial work at Caltrain stations between the San Francisco and Tamien stations.

Atherton to Menlo Park

Sunday, Aug. 10, through Thursday, Aug. 14, crews will replace ties between the Atherton and Menlo Park stations.

Palo Alto to Sunnyvale

Monday, Aug. 11, to Wednesday, Aug. 13, crews will resurface rail between the Palo Alto and Sunnyvale stations.

San Jose

Sunday, Aug. 10, crews will resurface rail at the College Park station. Monday, Aug. 11, to Thursday, Aug. 14, crews will resurface, weld and grind rail at the Diridon station.
